## Principal's Message

### Academic Roadmap & Learning Strategies - 2025-26

Dear Parents,

At Sabri Public School, we are dedicated to academic excellence and holistic student development. As we move into the 2025-26 session, we are excited to introduce innovative learning strategies that will strengthen conceptual understanding, enhance skills, and prepare students for future challenges.

#### Key Academic Initiatives for 2025-26:

- ✓ **Language & Communication Development** : Weekly Spell Bee, quizzes, and group discussions in ELGA & Hindi (from Class 3 onwards).  
Daily reading, creative writing, public speaking, role plays, and skit performances to build strong communication skills.
- ✓ **Collaborative & Competency-Based Learning** : Peer teaching and group learning to strengthen conceptual understanding.  
Project-Based Learning (PBL) & Competency-Based Learning (CBL), including mind mapping for critical thinking.
- ✓ **Mathematics & Science Concept Clarity** : Regular Maths Lab activities for hands-on learning and better concept retention.
- ✓ **Skill Enhancement Programs** : Subject-specific activities to develop analytical, reasoning, and problem-solving abilities.
- ✓ **General Knowledge & Awareness** : Weekly GK quizzes to encourage awareness beyond textbooks.
- ✓ **Competitive & Olympiad Preparation** : Participation in subject-wise Olympiads (English, Mathematics, Science, Coding, Hindi, and Social Science). The schedule will be shared in May 2025.
- ✓ **Doubt-Solving & Concept Reinforcement** : Regular doubt-clearing sessions for continuous academic support.
- ✓ **Updated Assessment & Testing Schedule** : Unit Test schedules will be shared one month in advance. Weekly assessments in Mathematics & Science/EVS for consistent learning progress.
- ✓ **A Special Initiative for Islamic Studies Students** : For students opting for Islamic Studies, we are introducing an Islamic Goal-Setting Diary to help them develop good habits and lead a purposeful life.

#### A Humble Request to Parents

We strongly encourage self-study to build concept mastery and independent learning skills.

- ✓ Please avoid coaching classes or private tutors.
- ✓ For any academic concerns, you may directly contact me:

Email: [Shahnawaz.98khan@gmail.com](mailto:Shahnawaz.98khan@gmail.com)  
WhatsApp: 95572 29831

Together, let's make the 2025-26 session a period of academic excellence and holistic learning!

Best Regards,  
**Shahnawaz Khan**  
Principal  
Sabri Public School
